Kazi Rezwan Rashid

4B4 Sheltech Grand Palace, Distillery road, Gendaria, Dhaka-1204, Bangladesh
Email: krezwan1699@gmail.com || Cell: +8801741480450 || LinkedIn: rezwan.rashid

Education

- **Jahangirnagar University**
  MSc. in Computer Science and Engineering 2023
- **Jahangirnagar University**
  BSc. in Computer Science and Engineering 2021
- **Sylhet Cadet College**
  Higher Secondary School Certificate (Science) 2014
- **Sylhet Cadet College**
  Secondary School Certificate (Science) 2012

Standardized Test Scores

- International English Language Testing System (IELTS) Sep 2024

Total - 7.0	L - 8.0	R - 6.5	W - 6.5	S - 6.5

Research Interest

- Deep Learning
- Computer Vision
- Natural Language Processing
- Data Science
- Medical Imaging
- Cyber Security

Professional & Research Experience

- **Lecturer in the deptartment of CSE** Feb 2024 - Present
  Siddheswari University College , Moghbazar, Dhaka-1217, Bangladesh
  - Courses Mentored : Structural programming, Algorithms, Databases,Peripherals and Interfacing, Image Processing lab).
  - Supervise lab sessions to ensure students gain hands-on experience with tools and technologies.
- **ICT Instructor , PYP IB** Nov 2023 - Feb 2024
  Abdul Kadir Molla International School , Narshingdi, Bangladesh
  - Developed ICT lessons that align with the PYP curriculum framework and IB learner profile.
  - Integrated technology into transdisciplinary themes, ensuring ICT supports inquiry-based learning.
- **Undergraduate Research Assistant**
  JU Data Mining Club Sep 2019 - Dec 2020
  - Social Network Analysis, TwitterRank, Data Mining

Published Research Papers

- **An Agro Automation System for Endurable Sunflower Disease Recognition: A CNN-Based Transfer Learning Approach** [link] 2025
  Accepted in International Conference on Quantum Photonics, Artificial Intelligence, and Networking (QPAIN)
  Publisher : IEEE, doi: 10.1109/QPAIN66474.2025.11172149

- **Multi-Stage Neural Ensemble Framework for Complex Language Understanding in Low-Resource Settings: Integrating Traditional, Deep, and Transformer-Based Approaches** [link] 2026
  Accepted in International Conference on Quantum Photonics, Artificial Intelligence, and Networking (QPAIN)
  Publisher : IEEE, doi: 10.1109/QPAIN69676.2026.11546437

- **Explainable Sentiment Analysis: A Comparative Study of BERT, DistilBERT, and TF-IDF on the IMDB Dataset Using LIME and SHAP** [link] 2026
  Accepted in International Conference on Quantum Photonics, Artificial Intelligence, and Networking (QPAIN)
  Publisher : IEEE, doi: 10.1109/QPAIN69676.2026.11546130

Personal Projects

AI-AUTHENTICATE: AI-Driven Authentication and Access Control System [code] 2020

- Deep Learning Algorithms : Convolutional Neural Networks (CNNs), YOLO
- Security: AES-256 encryption, Zero Trust architecture, Homomorphic encryption.

Design and analysis of E-Commerce website with a virtual trial system [code] 2023

- Technology Stack : MERN (MongoDB (Database), Express.js (back end), React.js (front end), Node js)
- Machine Learning Models and frameworks : DeepAR, OpenCV, TensorFlow.js, 3D body model , U-net.

Deep Learning assisted lung cancer diagnosis system[code] 2024

- Deep Learning Algorithms : Convolutional Neural Networks (CNNs), VGG finetuning, Capsule Network, Spatial Transformer
- Data Sources : SSMCH (Salimullah Medical College Hospital, Dhaka), Kaggle

Deep Learning-Enhanced Radiation Leak Detection in nuclear power plants (Ongoing) Present

- Leak Identification & Localization : CNN-based Image Classification, YOLO, U-Net or Mask R-CNN

Skills

Programming Languages:	C++, SQL, Python, JavaScript
Frameworks:	Django, React, NodeJS, ExpressJS
Software Proficiency:	MySQL, SQLite, Oracle Database, Google Colab,PowerBI, Apache Spark, PyTorch, TensorFlow, Jupyter NB, MATLAB, Microsoft Office

Certifications

- Python for Everybody -Link Coursera, Jan 2020
- Python Data Structures -Link Coursera, Mar 2020
- Deep Learning Specialization - DeepLearning.AI Coursera, May 2020
- ToT (Master Trainer Program) organised by *College Education Development Project* -Link Jul 2024

Achivements

- Received merit scholarship on Higher Secondary Examination, 2014 - Bangladesh Education Board
- Received merit scholarship on Secondary Examination, 2012 - Bangladesh Education Board
- Secured 5th position at Bangladesh Math Olympiad, 2016 - National Round

Extra-Curricular Activities

- College Games Prefect - Sylhet Cadet College 2014
- Organizing Secretary - JU computer Club 2018, 2019
- Organizer - JU Robotic Olympiad 2019
